POSITION LISTING INFORMATION

Job Title	Responsibilities
Partnership Specialist	Specialists identify and establish contacts with local governments, community organizations and faith-based organizations to promote Census programs. They conduct outreach to educate the community, recruit job applicants, improve Census coverage and increase public participation in the Census.
Field Operations Supervisor	Advises and reports to the AMFO and the LCOM on compliance with pre-established quality assurance goals and procedures for all field data collection operations in the Local Census Office. Supervises several office and field staff.
Recruiting Assistant	Promotes census jobs among community organizations and individuals. Secures space throughout the area for testing and training and conducts test sessions for applicants.
Crew Leader	Supervises a team of 10-20 enumerators. Conducts group training using an established guide and assigns or reassigns work. Meets daily with enumerators in the field to review progress and address problems. Conducts quality control work as required to assure accuracy of the Census.
Crew Leader Assistant	Assists Crew Leader with all field duties, including appointment and training of new hires and assigning work to enumerators. Meets with 3-8 enumerators daily to ensure that they are completing assigned work accurately and within deadlines.
Enumerator/Listener/Address Canvasser	Completes assignments which involve locating and listing addresses and conducting interviews with respondents. Explains the purpose of the census, asks questions as worded on census forms, and records data on forms or on hand held computers. Meets with supervisor at specified times for reviewing and turning in work.
